  - Delivered lectures on statistical fundamentals, regression models, uncertainty quantification, and regularization
  - Implemented course materials, assignments, and exams using R, Blackboard, and CodeGrade
  - Received an overall student evaluation rating of 4.32/5.00 based on 14 student responses (46.7% response rate)

## PRESENTATIONS

---

- *Post-Disruption Pricing Dynamics in the Apartment Rental Market: A Tale of Two Cities*, presented at:
  - 36th Annual POMS Conference, May 2026, Reno, NV
  - 35th Annual POMS Conference, May 2025, Atlanta, GA
- *The Impact of Short-Term Vacation Rentals on Discretionary Tourist Spending and Utilization of Auxiliary Services*, presented at:
  - 36th Annual POMS Conference, May 2026, Reno, NV
  - 2025 INFORMS Annual Meeting, October 2025, Atlanta, GA

## HONORS & AWARDS

---

- **05/2026** Doctoral Fellows Award

## RELEVANT COURSEWORK

---

### Seminars:

- Research in Global Operations and Supply Chain Management, Dr. Keith Skowronski **(A)**
- Socially Responsible Operations, Dr. Priyank Arora **(B+)**
- Supply Chain Management: Models and Empirical Analysis, Dr. Yan Dong **(A)**
- Advanced Topics in Management Science (Healthcare Operations), Dr. Luv Sharma **(A)**

### Methodological:

- MGMT 882 - Advanced Statistics for Business **(A)**
- MGMT 892 - Advanced Statistics for Business II **(A)**
- STAT718 - Topics in Statistical Causal Inference **(A)**
- BIOS755 - Introduction to Longitudinal Data Analysis **(B+)**
- ECON831 - Econometrics and Regression I **(A)**
- ECON811 - Microeconomic Theory I **(A)**
- ECON832 - Econometrics and Regression II **(A)**
- ECON812 - Microeconomic Theory II **(A)**
- POLI803 - Research Methods in Political Science **(A)**
- DMSB718 - Global Supply Chain & Operations Management **(A)**

## **SKILLS**

---

Stata, R, Python, Microsoft Office, Latex, SQL, SAS;  
Reduced-form approaches, Choice Model, Field Experiments

## **WORK EXPERIENCE**
